

Hi College First Families,

The Rooted High School Retreat at Camp Otyokwah is on **November 13-15**. It will be an opportunity for students to get away from business and distractions and spend some time with God and fellow believers. Registration costs **\$125 before Sept 18th and \$135 after**. Scholarships are available for students, please let me know if you are interested in attending and I will connect with the scholarship codes.

On **Sunday, October 18th** we will be bringing the Youth Group to Suter's Corn Maze! There will be opportunities to ride the hayride, pick out a pumpkin, solve the maze, and enjoy some cider slushes and donuts! Please note, we will be meeting at the church at **3:00pm, not our normal time of 5:30pm**. There will be no Bible Quizzing.

This past Sunday was our family movie night. We watched the Prince of Egypt and discussed the Exodus story afterward. It was an absolute blast! Here are some photos:

Last Sunday, we had our first Bible Quizzing practice of the season. This season, we are studying the Gospel of John. Here are some photos:

Saving the best news for last, we celebrated four baptisms this past Sunday! Getting to watch our students declare their salvation in Christ is a blessing that is unparalleled. Big congratulations to Ellie, Fin, Noah, and Seneca!

Lots of exciting things happening in our Next Gen Ministry

Best,  
Pastor Nancy

## WHAT WE'RE TEACHING

**Redeem The Screen:** A 3-Week Series on the role of technology in our lives and what God can do with it

**SERIES OVERVIEW:** Our screens have incredible power in our lives. With the click of a button, we can connect to anyone across the globe in an instant. With a simple search, we can discover everything from today's weather forecast, to tutoring for a difficult math problem, to the ins and outs of our favorite celebrity's love life. Our screens can inspire us, but they can also distract us and make us mindlessly conform to what we see.

Our phones, laptops, and TVs are some of the most powerful objects in our lives. Will you let them change your life or will you use them to change the world?

In this three-part youth series, pastor Kyle Idleman will teach you how to redeem your screen. Join him as he walks through Romans 12, showing us how to be transformed by Jesus. When we let Jesus transform our lives, our screens will no longer be a distraction—they will become a tool to make Jesus known all over the world.
