

Hi Hi College First Families,

just a reminder that we will **NOT be having Youth Group this Sunday since it is Labor Day weekend**. We hope everyone has a restful weekend with their families.

We will be selling Dietsch's Ice Cream at the Hancock County Fair this week! We are doing this to raise money for our Next Gen Ministries. We still have a few slots open for anyone who would like to volunteer. We hope everyone stops by for a sweet treat!

College First Families,

We will bringing our ice cream booth back to the Hancock County Fair on Sept 1-7 this year! We will be selling Dietsch's Ice Cream to raise money for our Next Gen Ministries. This is an important fundraiser for us and we need everyone to sign up for a shift by clicking the link below. Signing up also gains you free admission to the fair that day.

WHAT WE'RE TEACHING

Back to the Future: A 4-Week Series from the Old and New Testament on the mission of Jesus

SERIES OVERVIEW: Whether it's to stop yourself from saying something stupid, or see where you'll be in 10 years, or experience your favorite moment in history firsthand, we all wish we had a time machine sometimes, right? While time machines might not actually exist, the Bible can sometimes feel a little bit like a time machine. It's the story of the God who exists outside of time and had a plan to save the world before time even existed.

God's plan was fulfilled through Jesus 2,000 years ago, but prophets like Isaiah, Jeremiah, and Amos left

us hints about God's plan hundreds of years before that. So what was that plan? In this 4-week series,

we'll discover that Jesus' mission was to set people free and rebuild what has been destroyed — and

we can join Him on that mission, in part, by doing justice and remembering all God has done.
