On Wednesday, April 15th, from 8-9:30 pm, we will be having a jump rope craft night. These jump ropes will be passed out to local children on our young adult mission trip to Nicaragua. People of all ages are welcome to come and help that night. Please consider donating t-shirts.

Lastly, we want to highlight our Easter Sunday Service at the Marathon Center for Performing Arts this past weekend. It was an absolute honor to celebrate the resurrection of our savior with our community! We had a wonderful time.

Excited to see everyone this weekend!  
Best,  
Pastor Nancy
