2 Timothy 1:6-7 Reflection Questions 04/26/2026

1. Why do you think Paul had to remind Timothy to “fan into flame” the gift of God? What does the phrase “fan into flame” suggest about our personal responsibility in the Christian life?
2. Timothy had limitations in his background, age, temperament, and health. What kinds of things did Timothy have to face in ministry that may have felt intimidating or overwhelming? Which of those limitations do people most commonly struggle with today?
3. Have you ever felt disqualified or inadequate because of your background, personality, age, health, or experience?
4. Why is it encouraging that God used someone like Timothy, who did not appear to be a naturally bold or impressive leader?
5. Paul saw that Timothy had genuine concern for other people. Why is genuine concern for others more important than outward gifting or confidence?
6. The message emphasized that spiritual power is a gift, not a reward. Why is that distinction so important? What happens when Christians think they have to become “worthy enough” before God can use them?
7. How does the account of Samson’s strength and Peter’s healing ministry illustrate that God’s power is a gift and not something earned by personal perfection?
8. Why can it be dangerous to assume that someone’s spiritual gifting means all their beliefs, character, or behavior are automatically mature?
9. 2 Timothy 1:6 says the gift is “in you.” How does that change the way we think about church gatherings, Sunday services, and personal spiritual life?
10. What is the difference between coming to church for a “drink” and recognizing that Jesus has placed a “well” within you?
11. What is one practical way you can begin to “fan into flame” the gift of God in your life this week?
