Parable of the Mustard Seed Reflection Questions 10/25/2026

1. Why do you think Jesus chose something as small and ordinary as a mustard seed to describe the Kingdom of Heaven? What does this reveal about how God works?
2. Jesus teaches us not to underestimate small beginnings. What are some seemingly insignificant things God has used to make a significant difference in your life?
3. Some seeds remain dormant even when conditions seem favorable for growth. Have you experienced a season when you felt spiritually dormant or saw little evidence of growth? How did you respond?
4. Seed dormancy can be broken through soaking in water, stripping away an outer shell, exposure to cold, or even fire. Which of these natural processes illustrates something God has used to bring growth in your life?
5. Read James 1:2–4. How can difficult circumstances produce spiritual maturity? How can we distinguish between simply enduring hardship and allowing God to work through it?
6. The sermon asked, “What if the very thing you thought was preventing your growth is actually preparing you for growth?” How does this possibility change the way we approach seasons of disappointment, waiting, or adversity?
7. Jesus said the mustard seed eventually becomes a large plant where birds find shelter. What does this teach us about the purpose of spiritual growth? How should our maturity in Christ benefit others?
8. When Mary questioned how she could conceive a child, Gabriel reminded her that nothing is impossible with God (Luke 1:34–37). How can we maintain confidence in God's ability when our circumstances seem impossible, while still surrendering to His purposes and timing?
9. The Death Valley super bloom illustrated how seeds can remain hidden beneath barren ground until sufficient rain brings them to life. What might spiritual dryness look like in a Christian's life, and how can we position ourselves to receive the refreshing work of the Holy Spirit?
10. Looking back over the entire message, what is one area of your life where you need to exercise greater faith, patience, or perseverance? What practical step can you take this week to cooperate with what God is doing?
