

ABOUNTIFUL AFFAIR 2026

PROCUREMENT WISHLIST

Thank you for your willingness to partner with St. John's Lutheran Schools in support of our school families and students! The following Wish List is intended to spark inspiration as our school families consider creative ways to share unique abilities, skills, hobbies, livelihoods, and connections as part of our live auction, premier silent auction (baskets), and ABA Opportunities (Wine Grab, Dessert Frenzy & Social Parties). We are especially interested in putting together unique packages and experiences that are not readily available. Too busy to donate physical items? Monetary donations are helpful in underwriting event expenses AND auction packages.
