*Dear Community Partner,*

For over 60 years, St. John's Lutheran School and Children's Center has been a cornerstone of Christian education in Kern County — a National Blue Ribbon School serving more than 600 students from preschool through 8th grade. This November, we're inviting you to be part of that legacy.

On **Saturday, November 7, 2026**, we'll host our 13th annual **A Bountiful Affair** — an elegant wine dinner and auction that has become one of the most anticipated evenings in our school community. Each year, this event has grown in both spirit and impact, and with your support, this year promises to be our best yet.

**Here's why it matters.**

St. John's is unlike any other school in Kern County — not just for our academic excellence, but for our commitment to making that excellence accessible. Our Financial Aid Scholarship Program helps families afford St. John's who otherwise couldn't, and that need continues to grow each year. A Bountiful Affair is the engine behind that promise, funding scholarships alongside key needs across our school and student body. This year, our goal is to raise \$275,000 to help meet that need. Your gift — in any amount — directly shapes the next generation of thoughtful, capable leaders in a world that needs them more than ever.

**A partnership that works both ways.**

St. John's families are business owners, professionals, and deeply engaged community leaders — and they notice who shows up for their school. Supporting A Bountiful Affair connects your business to that network in a meaningful, visible way. Sponsors receive:

- ✓ *Tax-deductible sponsorship packages tailored to your business goals*
- ✓ *Visibility to thousands across one of California's fastest-growing communities, through social media and event promotion*
- ✓ *Public recognition as a business that invests in children and community*

**We'd love to hear from you.**

Whether you're interested in a sponsorship package or want to make a direct donation, we'd welcome the conversation. Reach out today — and thank you for considering this investment in our students, our families, and our future.

*Bountiful Blessings,*
