

## WHY JOIN?

The intentional time of gathering in small groups is a great way to further grow in the Word and grow and develop more meaningful relationships with one another.

Building a family in  
Christ to reach

# Community Groups

2026

growth & discipleship

fellowship & worship

prayer & praise

God has hard-wired us for community. We need to be vitally connected to others because we believe spiritual growth flows out of two basic commitments: a commitment to God and His Word, and a commitment to significant Christian relationships.
