Missions Moment

February Missions: Enhance Ministries

February's Globe contribution is designated towards Enhance Ministries, based out of Woodbury, Minnesota and overseen by Matt Swigart. Matt works with church leadership to build teams that accomplish their God-given missions through building authentic relationships.

Matt has been in full-time ministry since 2001 as a youth minister leading many short term mission trips. Most recently he has served with LEAD2022 coaching youth pastors to be "healthy leaders who lead healthy ministries." He also trains coaches and oversees short term mission trips all over the USA, Canada, and Mexico. Through Matt's wiring as a coach and his love for athletics he has utilized sports to invest in young people any chance he gets. From coaching his children in baseball and basketball to coaching high school basketball and baseball at New Life Academy to now, being the Head Men's and Women's Tennis Coach at the University of Northwestern - St. Paul.

His experiences have helped him gain an understanding of how unified and authentic teams can accomplish great things that exceed the boundaries of the status quo, and thus the creation of Enhance Ministries in 2021.

Matt has been married to his wife Christina since 2000, and they have three children, Caitlyn, Caleb, and Lucy.

Matt's personal legacy statement: To be a warrior for Christ who passionately leads my family, who genuinely and unconditionally love people and who develop leaders who go far beyond anything I ever could.
