Happy 4th of July!!

from

of

St. Paul's

The Church office will be closed, as well as no Project Transformation on Thursday, July 2nd..

After the ooohs and ahhs of Saturday...Join us Sunday

Please join us to welcome Joey and Megan Simpson as St. Paul's begins a new chapter. We are very excited to give them a wonderful welcome to our church family. There will also be small group events to get to know them better in the near future. Sharron Pounds is scheduling these meetings. See you Sunday!

To be a part of Joey's first Sunday...you will have to be present in the sanctuary. Due to staff vacations, there will be a live stream or video to post later.

Sergio and Project Transformation are in need of Reading Buddies. All you do is listen as a child practices their reading skills. What a great way to touch the future success of these kids. If you have a day to volunteer or know a group that does community volunteering...please get with Sergio. It is only a couple of hours. Improved reading skills allow a child to be successful in all areas of education. Best self-esteem builder there is!
