

St. Paul's

Issue 8 Volume 2

Message from Sergio

Dear St. Paul's Family,

As we prepare for the final week of Project Transformation, I want to personally invite you to join us one last time before the summer comes to a close.

Over the past seven weeks, we have been blessed by an incredible community of volunteers. Friends from Family of Faith, Wesley United Methodist Church, Bethel United Methodist Church, Tecumseh United Methodist Church, University Baptist Church, Emmanuel Episcopal Church, and many others have faithfully shared their time and encouragement with our campers. Their willingness to serve has made a tremendous impact on the lives of the children entrusted to us.

Now, I would love to see our own St. Paul's family come together for one final week of service.

We have approximately 40 campers who would be blessed by spending just a little time reading with a caring adult. You don't have to be a teacher or reading expert; simply showing up, listening, encouraging, and celebrating each child's progress is enough to make a lasting difference.

If you have an hour or two to spare on Monday through Thursday from 10:00 a.m. to 12:00 p.m., we would be honored to have you join us. Whether you can volunteer one day or all four, your presence matters.

As a church, we have the opportunity to show Christ's love in a simple but powerful way. Let's come together for one final "all hands on deck" week and help our campers finish the summer feeling encouraged, supported, and deeply loved.

Thank you for your prayers, your generosity, and your continued support of Project Transformation. We couldn't do this without you, and we hope you'll join us as we finish this incredible summer together.

A note from Mandy...this next week is our time to step up and show out. Time to make connections this final week of Project Transformation. Do you have to be there every day...nope. Come spend a couple of hours to support the kids, interns, and summer volunteers. Show up so that these kids and parents can see what St. Paul's is all about. I want to thank the members who have given their time all summer.

You are Invited...
