Karen Henry Harris and her Journey beyond just retiring...

Some time back, Karen made the decision to complete Certified Lay Servant training. What is a Lay Servant

A Certified Lay Servant is a professing member of a local church or recognized UMC ministry who desires to serve the church, is committed to Scripture and the UMC, and has received specialized training to be a more effective disciple. Among the activities commonly performed by Certified Lay Servants are providing leadership and support to church programs and ministries, preaching or assisting in worship services, leading small groups or missional groups, and leading or assisting in programs in the local church or beyond.

This past Sunday, Karen joined us to deliver the Opening Prayer as part of her training, as Pastor Joey had to observe and sign off on.

I am sharing the prayer that Pastor Joey wrote for Karen to share during worship.

Lord of summer sunshine and autumn harvest, be with us this day as we gather to encounter your word and your way for us. Remind us that we can place our trust in your eternal love. Enable us to be more effective in our witness to that love by word and deed. Guide our steps and pick us up when we falter. Dust us off and place us on the pathways of grace and service. These things we pray in Jesus' name. Amen

We are so proud of Karen and will be keeping her in our prayers.
