## **POTTY TRAINING POLICY**

Children in K3 classes are required to be potty trained when summer classes begin in June. Allowance will be made as children adjust to routines. If they have initial difficulties, the positive peer pressure in a childcare setting usually aids children in quickly responding to this routine.

Children in the K4 classes are required to be potty trained when summer classes begin in June. They are expected to use the bathroom independently. Please consider this when choosing clothing that would be easy for your child to manipulate.

## **ADDITIONAL INFORMATION**

**\*\*Part Day:** Parents will need to provide a DAILY snack for their child. Please pack basic snack foods that your son or daughter can eat independently and are not very messy. This should be a light snack consisting of one or two items (not lunch), and a drink. Please ensure that your child's drink of juice or water is served in a Sippy cup, water bottle, or juice box. K2 class MUST use a leakproof Sippy cup, please don't send water bottles or juice boxes with your two-year-olds.

**\*\*Full Day:** Parents will need to provide a packed lunch in addition to the snack each day if your child is attending the full day option.

**\*\*Full Day:** Students will have a designated rest/nap time during the day. Parents will need to bring a nap set (blanket and pillow combo) for them to use during rest/nap time. Students will bring them to camp at the beginning of the week to keep at school, and they will be sent home with the students at the end of the week.

You will receive a Confirmation of Enrollment email once registration is approved. Summer classes are assigned and filled on a first come, first-accepted basis.
