

Serve Days projects begin on Oct. 1st!! To prepare, you will find a **list of projects** that are available and a few **“do it yourself” project ideas** to think about. Look over the list and think about what you, your family, friends, co-workers or small group could do to show appreciation to our neighbors in Southern Brazoria County.

Some of the projects are highlighted in **Red, Bold** text. These are projects that BPF has committed to doing for our ministry partners. **Please take a look at those first to see if you could contribute to making them happen.**

Today and next Sunday we will have a ministry fair in the foyer. There, you will be able to learn more about our ministry partners as well as find out details about each project. They may be able to help you determine which project would be best for you or your family or group.

To sign up, choose your top 2 or 3 projects and use the Web Site, BPF App or QR code and follow the instructions.

Items for Ministry Partners

Don't forget that we will be collecting food, diapers, wipes and personal hygiene products over the next several weeks to help our local ministry partners better support their clients. We will be collecting:

- Disposable diapers (sizes 4 and up) and baby wipes.
- Any shelf-stable food such as:
 - canned items like vegetables, fruit, meat, peanut butter or soups.
 - Dry goods like beans, pasta or cereal.
- Personal hygiene products such as soap, shampoo, toothpaste, and deodorant.
