BE A PART OF
WATERMARK MISSIONS

What We Do

We are partnering with a local ministry called Love in Action by providing items for the homeless community in the Wiregrass area.

We will create mats from plastic shopping bags using donated shopping bags, and collect monthly targeted personal hygiene items that can be dropped off at designated locations at Watermark.

How You Can Help Make Mats

One way to help make mats is to provide plastic shopping bags for the mat material.

Bring Plastic bags to the drop-off point in the Church Foyer on Sundays and Wednesdays

Another way to help make mats is to join us for a time of fun and fellowship as we make the mats from the donated materials.

Starting April 10, 2026, we will meet weekly in the Auditorium Foyer on Fridays at 10:00 a.m.

Enter the main building through the east side double doors.
