Are you passionate about seeing young lives transformed by the Gospel? We aren't just looking for a staff member; we are looking for a leader, a mentor, and a spiritual architect to help build a thriving youth ministry in the heart of the DC Metro area.

Who We Are

We are a vibrant, gospel-centered church community located in a strategic mission field. With over **100,000 people** in our immediate vicinity, the opportunity for impact is massive. Our church is dedicated to being a lighthouse in this community, and our youth are at the very center of that mission.

- **Discipling the Future:** Creating a space where students feel seen, known, and challenged to grow in their faith.
- **Building Community:** Fostering a culture of belonging for students from diverse backgrounds across the DC area.
- **Equipping Leaders:** Identifying and training adult volunteers to invest deeply in the lives of teenagers.
- **Engaging the Mission Field:** Developing creative ways to reach the thousands of students in our surrounding neighborhoods who don't yet know Christ.

If You Are...

- A relational leader who loves hanging out where students are.
- A gifted communicator who can make the Bible come alive for today's students.
- A strategic thinker who enjoys building and scaling systems.
- Deeply committed to the local church and the Great Commission.

...then we want to meet you.
