Every good and perfect gift is from God. This kind of gift comes down from the Father who created the heavenly lights. These lights create shadows that move. But the Father does not change like these shadows. • James 1:17 NIrV

23 - One in Ten | Made to Explore

What You Need

Small objects (bandage, snack, drink, toy, etc.) — Several

What You Do:

During the Activity:

- Open your Bible and read Luke 17:11-19
- Place your 10 small items on the floor in the middle of the group.
- Say: "In today's Bible Story, Jesus healed 10 men who had a skin disease called leprosy. All 10 men received an amazing gift from Jesus. Let's count these objects together and let them remind us of the 10 men."
- Count the objects together.
- Say: "Only one man came back to thank Jesus. As each person chooses an object, share one thing you can thank God for that connects to that object."
- Have kids take turns choosing an item from the pile and sharing something they can thank God for that relates to the object.
- Repeat until all objects have been selected.

What You Say:

"In our Bible Story, Jesus healed 10 men who had a skin disease called leprosy. These men had banded together because they couldn't come near anyone else. Somehow, they had heard about Jesus and that He could make sick people well. When they saw Jesus coming, they stood at a distance and cried out to Him asking for pity. Jesus told these men to go and be checked out by the priest while they were still sick! Along the way they were healed!

"One man ran all the way back to Jesus. He praised God at the top of his lungs and threw himself at Jesus' feet, crying, 'Thank You! Thank You!' All of the men had been healed of leprosy. But this man's heart had been healed too, because of his faith—and because he chose to come back and pour out his thanks and gratitude to Jesus. We need to ***[Bottom Line]*** **remember to thank God** for all the ways we've seen Him show up in our day."

Activity Two

Creating a Safe Place to Connect

23 - Bandage Race | Made to Move

What You Need

Adhesive bandages	3
"Thank You God! Station" Sign	1
Writing supplies	Several
Notes	Several

What You Do:

Before the Activity:

- Place the **"Thankful You, God! Station"** sign in a corner of the room where kids can easily see it.
- Arrange the cards and markers neatly on the floor near the sign.
- Make sure there is enough space for kids to sit and complete their cards.

During the Activity:

- Give each kid three to five adhesive bandages.
- Say: "Your challenge is to stick all your bandages on someone, try to put each one on a different person but not on the face or in the hair. When all your bandages are gone, run to the Thankful Table and write a thank-you note to God. It can be about anything you are thankful for."

What You Say:

"That was awesome! Was it easy to remember something to thank God for after you were so focused on getting rid of your bandages? *(Pause for responses.)* This is how it can be in real life. We're focused on ourselves and what we need to do, and it's easy to keep going and forget to look back and say thank you, just like the nine men who were healed. We can ask the Holy Spirit to help us remember to say 'thank you!'

"First, we need to give thanks to God! Thank God for the good things He's done for you. After you've given thanks to God, make sure to say 'thank you' to all the people who help you every day. Your mom and dad. The bus driver. Your teacher. Friends who help you with homework or make you laugh. Saying 'thank you' helps you become a person of gratitude and shares the love of Jesus with those around you. ***[Bottom Line]*** **Remember to thank God."**
