(Allow responses.)

"OK, one more. How many of you check the score of a game before you watch the highlights?

(Allow responses.)

"And how many of you avoid the score because you don't want it spoiled?

(Allow responses.)

"See, most of us like knowing how things are going to turn out. We like knowing who's winning.

"It's time to go over the memory verse! It's such a great reminder of who our God is. Check it out,"

WORSHIP

HOST: "Hey, everyone. As we get ready to worship, I want you to think about the difference between looking down and looking up.

"When we look down, we usually see what is right in front of us: our problems, our schedules, our stress, our questions, our phones, our worries. But worship helps us look up. It helps us remember that God is greater than what is right in front of us.

"Let helps us look up and remember the greatness of God. Let's points our attention to the God who created everything and still chooses to be close to us.

"So as we sing, let's not rush through the words. Let's use this song to lift our focus back to God and give Him the praise He deserves."

After Bible Story

AFTER BIBLE STORY

HOST: "Knowing that Jesus has already won the battle changes everything. It changes the good times and the not-so-good times."

"Even when life gets difficult, or you feel discouraged by the hurt you see in the world, the peace of God is available to you all the time because you know the end of the story. Because Jesus is the Greatest King and the Most Powerful Lord of All, our hope is secure, and nothing can take it away."

"We don't have to live in fear, and we don't have to try to fix everything in our own strength. Jesus is with us, nothing can separate us from His love, and He will make everything right in the end."

"So, as we go through our week, celebrate the truth of His victory, and trust that He is with you every step of the way."

"Let's take say our awesome Bottom Line one more time."

[Bottom Line] "Jesus wins. I want you guys to say it with me, and let's say it like the celebration that it is!"

KIDS AND HOST: **[Bottom Line]** "Jesus wins."

HOST: "Oh yeah! That's something that we can celebrate today, and every day. Jesus is with us, and Jesus wins. I have a question I want you guys to think about. Here, check it out –"

SLIDE: *Conversation Starter*

[Conversation Starter] "How does believing Jesus wins change how you see things?"

"If I were to tell you guys that on my way here, right before I came up here to teach you guys, I got my foot run over by a big semi-truck, would you believe me? No! I would look a little bit different."

Even though that's a silly connection, when you encounter something big like that, it changes you. What about encountering the greatest news ever told?

That will definitely change you. It will change the way you think, the way you view the world, the way you treat your relationship with God! So, let's think about how this news has changed the way we see things already, and maybe some things that we need to change when we leave here."

Host does an Alter Call

HOST: Today, I want to give you a very special opportunity.

Do you know how much Jesus loves you?

Jesus loves you so much! He gave His life on the cross and came back to life so He can be with you forever.

He wants to be your best friend, your Savior, and help you every single day.

Maybe you feel something special in your heart right now.

That's Jesus saying, 'I love you. I want to be with you.'

You don't have to be perfect or know everything.

You just need to say yes to Jesus.

If you've never asked Jesus to be your Savior, and you want to invite Him into your heart today, you can pray with me.

And if you've already done this before, you can pray again to remember how much He loves you."

Salvation Prayer (Repeat After Me)

Dear Jesus,

Thank You for loving me.

Thank You for dying on the cross for my sins.

I believe You rose again and You are alive.

I want You to be my Savior and my best friend.

Come into my heart today.

Help me follow You every day.

I love You, Jesus.

Amen.

Thank You for showing us that Your love never runs out, that it's powerful enough to heal, restore, and change lives. Help us be brave enough to reach out.

Help us stay connected to You this week. Show us the people who need Your love. Give us the courage to be with the people who are left out this week.

We love You, and we pray these things in Jesus' name. Amen."

HOST: If you prayed that prayer for the first time today — we're SO proud of you! That is the best decision you'll ever make.

Please let your leader know, because we want to celebrate with you!

After prayer, Host can continue question time with kids (no small groups)

If questions ever run out, you can use discussion questions provided

Discussion Questions

- **[Conversation Starter]** How does believing that Jesus wins change the way you see things?
- Jesus was a ransom for our lives when he died on the cross. What freedoms did He purchase for us through His death and resurrection? What will He do away with once and for all when He returns?
- Revelation 19:15b says, *'He stomps on the grapes of God's winepress. The winepress stands for the terrible anger of the God who rules over all.'* God is a just and righteous God. What areas would make God upset?
- **Note:** Romans 8:1 says, *'Those who belong to Christ Jesus are no longer under God's judgement.'* God is compassionate towards His children and wants all people to be saved. His anger is towards evil and the works of the enemy.
- How might you handle hard things differently this week by remembering that Jesus wins?
