Move Activity

5 min

Follow the Water | Made to Move *Uses Minimal Supplies*

What You Need

-  Plastic water bottles 2
-  Painter's tape 1

What You Do:

Before the Activity: Fill the two bottles halfway with water and add a few drops of blue food coloring. Close the lids and secure with a piece of duct tape. Create two straight tape lines parallel to each other on the floor about five feet apart. Divide the children into two groups, one group on each tape line.

During the Activity: Hold one bottle in each hand straight in front of you. Do a series of movements with one, or both at the same time. Encourage children to follow the movement of their group's bottle as you move it. Repeat as time and interest allow.

After the Activity: Introduce the Bible Story.

What You Say:

Before the Activity: "Hello, friends! Let's play a game! We need to make two teams. *(Help divide the children into two teams.)* This team stand on this line looking at me, and this team on that line looking at me. I have two bottles of water. *(Shake the two bottles.)* This bottle *(hold up the bottle in your right hand)* is for this team. *(Point to the team on your right.)* And this bottle *(hold up the bottle in your left hand)* is for this team. *(Point to the team on your left.)* Each team will watch and do the motion of their water bottle."

During the Activity: "Let's do a practice round. Watch the water bottles. *(Shake the bottle in your right hand up and down and keep the bottle in your left hand still.)* Only this team *(point)* should jump. *(Pause.)* Everyone freeze. Watch again. *(Only shake the bottle in your left hand.)* Only this team *(point)* should jump. *(Pause.)* Everyone freeze. I think we are ready to play! Here we go! *(Slowly bring the bottles apart.)* Good job! You moved back to your line. Watch again. *(Shake both bottles vigorously.)* Everyone jump up and down. *(Pause. Then hold the bottles still.)* Freeze. Great job. *(Repeat the sequence: together, apart, together, and splashy.)* You all are so good at this game."

After the Activity: "You followed the bottles of water perfectly. Today in our true story from the Bible, we will learn that God showed His people the way by moving the water apart to make a path for them. Let's go hear all about it!"

AMAZING MUSIC

WORSHIP LEADER: "It's true! God loves you SO much and He is SO Big and SO mighty! He made the mountains, the seas, the elephants, and He made YOU and loves you! Let's sing this next song together, all about how BIG our God is.

SONG: "My God is So Big" Preschool Video is available on APlay with Amazing Music.

What You Say:

"Great job, everyone! Our God is BIG, and He is Good! He is a good God who loves us so much. This next song is all about how good God is and how much He loves us!

SONG: "God is So Good" Preschool Video is available on APlay with Amazing Music.

What You Say:

"Great singing, friends! Now let's learn some of God's words from the Bible. (*Open hands like a book.*) Are you ready? Watch me say the words from the Bible and do the motions, and then you can do them with me!

(Note: You can find examples of hand motions in the "Memory Verse Hand Motions" PDF and video, and on Pinterest.)

"Trust (tug a pretend rope) in the LORD (point up) with all your heart, (tap heart twice) Proverbs 3:5" (Open hands like a book)

"Can you do that with me?

(Lead children to say the Memory Verse with Hand Motions once or twice.)

"Trust (tug a pretend rope) in the LORD (point up) with all your heart, (tap heart twice) Proverbs 3:5" (Open hands like a book)

Wavy Water Painting | Made to Create

What You Need

-  "Wavy Water Painting" Activity Page 1
-  Blue crepe paper 6

EveryChild tips

- Provide gloves for children with sensory sensitivities.

"Great job, friends! I LOVE superheroes. But, do you know who is even better than a superhero?! GOD! HE is amazing! Thanks for celebrating God with me!"

(To extend your worship time, additional songs are available with Amazing+ and the Amazing Music Add On option. We suggest these songs by Yancy : " My God Is Number One," "Ready Set Go," and "Even When")

(Worship Leader exits.)

What You Do:

- Give each child the folded Moses activity page.
- Provide **blue crepe paper**
- Have children glue the blue pieces on the **left and right sides** of the picture, leaving the middle pathway open.
- Children can crumple or curl the blue paper slightly to make it look like waves.
- Open the folded page and show how **God made a dry path through the water so Moses and God's people could walk through.**

After the Activity: Connect the Bottom Line to the Bible Story.

What You Say:

Before the Activity:

"Friends, come over and join me at the table! We are going to make some special story art to help us remember our story of Moses and the Sea."

During the Activity:

"First, let's look at our picture. God's people needed to get across the sea, but there was water in front of them. Then God did something amazing—He parted the sea and made a dry path for His people to walk through!"

Let's make the water on our picture. Take some blue crepe paper and glue it on this side of your picture. Now, let's add some blue waves to the other side too. Make sure we leave the middle open because that is the dry path God made for Moses and His people.

Look at your picture! We have water on both sides and a safe path right through the middle. Now open your picture. Wow! The sea parted just like it did in our true Bible Story!"

After the Activity:

"God's people were scared, but God did something amazing. He moved the water and made a safe path for them to walk through. God showed them the way because **[Bottom Line] God's got it! Who's got it? [Bottom Line] God's got it!**"

Prayer

"Dear God, thank You so much for loving us and for true stories like the one we heard today. We love that You showed the Israelites where to go, and You will show us where to go, too. Thank You for always caring for us, no matter what. We love You, God. We pray in Jesus' name. Amen."
