Thirsty Traveler | Made to Move *Uses Minimal Supplies*

What You Need

	Plastic bowl	1
	Plastic cup	Several
	Droppers or small spoons	1
	Chairs	1

What You Do:

Before the Activity: Place the chairs six feet or more from each other in an open area of the room facing each other. Fill the bowl halfway with water and place on one of the chairs with several droppers or spoons. On the other chair, place the cup.

During the Activity: Help children line up behind each other beside the chair with the bowl. Give the first couple of children a dropper or spoon. Instruct children when it is their turn to pinch or scoop some water and carefully carry it to the other chair and deposit it into the cup. Child will come back and join the back of the line. Continue with each child and repeat as time and interest allow.

After the Activity: Introduce the Bible Story.

What You Say:

Before the Activity: "Hello, friends! Come on over. We have a very important job to do today. Someone is very thirsty, and we need to bring them some water!"

During the Activity: "Come line up behind each other next to this chair. (Help children get into line and give the first couple of children a dropper or spoon.) Your job is to take this dropper (or spoon), fill it up with water from the bowl, and walk it very carefully all the way over to the empty cup. Let's see if we can work together to fill it up! [Child's name], you go first! Fill up your dropper/scoop water onto your spoon... now walk slowly... don't spill! (Pause.) Great job! You added a little bit of water to the cup! Come back and [child's name] can go add water next. (Continue until every child has had a few turns.) Look how much water we have in our cup. (Allow each child to peek into the cup.) Great job working together!"

After the Activity: "Today in our Bible Story, we'll hear about a man named Elijah. Elijah didn't have any water and was very thirsty, so he asked a woman for a drink of water. Let's go hear more about Elijah."

Prayer

(To extend your worship time, additional songs are available with Amazing+ and the Amazing Music Add On option. We suggest these songs by Yancy : " My God Is Number One," "Ready Set Go," and "Even When")

(Worship Leader exits.)

What You Do:

Give each child a paper with the jar and jug.

- Point to the jar and explain that it represents the flour from the Bible Story.
- Give each child cotton balls.
- Have the children glue the cotton balls onto and above the jar so the flour looks like it is overflowing.
- Point to the jug and explain that it represents the oil.
- Give each child a long piece of yellow crepe paper.
- Help the children attach the yellow crepe paper to the jug so it looks like the oil is overflowing.
- Remind the children that God gave the woman enough flour and oil because she trusted Him.
- Finish by saying together, **"God's got it!"**

What You Say:

During the Activity:

"Look at your paper! You have a jar and a jug, just like in our Bible Story. The woman only had a little flour and oil, but when she trusted God, He made sure she always had enough.

First, let's fill the flour jar. Take some cotton balls and glue them on the jar so the flour looks like it is overflowing. *(Allow time.)*

Now, let's fill the oil jug. Take the long yellow crepe paper and attach it to the jug so it looks like the oil is overflowing. *(Allow time.)*

Wow! Look at all that flour and oil! God took care of the woman and gave her what she needed. God takes care of us, too. We can always trust God because **God's got it!"**

"Dear God, thank You for always taking care of us. Thank You for giving us what we need and loving us so much. You took care of Elijah, the woman, and her son. And we can trust that You will take care of us, too. We love You. We pray in Jesus' name. Amen."
