

# FRIDAY BLAZER BULLETIN

2-27-26

Dear Parents and Families,

We are so blessed here at St. Paul's by the grace of our Lord and Savior. Our school community continues to foster a spirit of kindness and compassion, supporting each other as we grow in our faith. Let us embrace the importance of maintaining a positive school culture that allows every student to thrive. Kindness, empathy, and respect toward one another, reflects the teachings of Christ in all that we do.

Here are some words from Psalms 51 to ponder during this Lenten season:

*Have mercy on me O God, according to your unfailing love;  
According to your great compassion, blot out my transgressions.  
Wash away all my iniquity and cleanse me from my sin.  
For I know my transgressions, and my sin is always before me.*

With great thanks and blessings,

Principal Goddard

Parents,

With great thanks to Open Bible's donations, we were able to support the Hot Lunch program over the last couple of years for our students. What a blessing it was from our sister congregation and the Lord. The donations for our Hot Lunch program are expected to last through the end of March. Therefore, starting in April, hot lunches will be \$3.50. Thank you for your support and understanding.

Reminders:

Carline:

- If you are picking up a kindergarten from the playground and leaving the campus, please wait to be signaled to exit. This promotes safety for other cars and the "traffic control person 😊" who may be unaware you are exiting on Kingsway Crossing.

Aftercare:

- We are encouraging parents to pick up their children on the playground to ensure safety for all children. In some cases, if the supervisor is unfamiliar with someone who is picking up the child, an ID and/or phone call will have to be made to verify identity of person who is picking up. If you know ahead of time of such a scenario, then please contact Ms. Dorothy in the Main Office.

- To ensure a smooth transition for all students after school, we are kindly asking that parents refrain from lingering in the playground area during pick-up times. This helps our school maintain a safe and organized environment for the children and allows aftercare services to operate effectively.

Tardies:

- Please note the doors of the school will close at 8:01 am. At this time, you will need to bring your child/ren to the Main Office to sign them in. A late pass will be given to the student to bring to their teacher.
- Every 5 tardies is equal to an absence. In our Parent Handbook (Policies and Procedures) it states that this “helps your child start each day successfully by having them at school well before 8 am.”

**We appreciate your cooperation in these matters.**

## OPPORTUNITY TO SERVE!

**We need volunteers** to help mow the grounds around our church and school. Please get in touch with the office if you are interested in helping out. 😊

STEP-UP scholarships are open. Call Pam Gill for any questions. (352-496-2892)

Open Enrollment begins soon. Please continue to check your emails for upcoming information.

## Kids Heart Association – See below

**Dear Parents and Families,**

We're excited to announce the kickoff of our **Kids Heart Associate** program in partnership with the American Heart Association, running from February 27th through March 20th! This program helps students learn about heart health, kindness, and ways they can make a difference in the lives of others.

Over the next few weeks, students can learn about CPR and how to keep their hearts healthy. We will be launching our Kids Heart Challenge, which gives families the opportunity to support lifesaving heart and stroke research through donations. The registration and sign-up for the event are completely free. Your child, if your family chooses to participate, can also raise money through donations for heart and stroke research. See the flyer for more information on this event!

How families can help:

- Sign up and complete registration using this link or the paper attached to this newsletter.
- Talk about the importance of heart health at home.
- Support your child's efforts if your family chooses to participate in the fundraiser.

Thank you for helping us build heart-healthy habits and strong, caring students!

American Heart Association.
