

# FRIDAY BLAZER BULLETIN

3-13-26

Dear Parents and Families,

Embracing the season of Lent, we are reminded of the countless blessings our Lord has bestowed up on our school. Each day, we witness the growth of our students, beginning with a foundation in Christ as their Savior. Recently, our student athletes competed down in Sarasota and proudly represented St. Paul's in track and field events. Their Christian behavior shined as they demonstrated this in their leadership and attitude.

As we celebrate these blessings and achievements, we also want to remind our students of the importance of upholding school policies and expectations. It is essential for maintaining a safe and positive learning environment. Please continue to support your children and our staff in following these guidelines, as it plays a crucial role in developing and fostering a healthy school community.

Our journey continues through the season of Lent, allowing us to reflect on our faith and prepare our hearts for the joyous celebration of Christ's resurrection. Corinthians 5 says, ***"Therefore, if any is in Christ, the new creation has come: The old has gone, the new is here! All this is from God, who reconciled himself through Christ..."***

Have a great weekend,

In Christ,

Principal Goddard

## Kids Heart Association – See below

**Dear Parents and Families,**

Our **Kids Heart Associate** program in partnership with the American Heart Association is going great. It will continue to run through March 20<sup>th</sup>! This program helps students learn about heart health, kindness, and ways they can make a difference in the lives of others.

With **one week** left, students can still learn about CPR and how to keep their hearts healthy. This allows families to support lifesaving heart and stroke research through donations. The registration and sign-up for the event are completely free. Your child, if your family chooses to participate, can also raise money through donations for heart and stroke research. See the flyer for more information on this event!

How families can help:

- Sign up and complete registration using this link or the paper attached to this newsletter.
- Talk about the importance of heart health at home.
- Support your child's efforts if your family chooses to participate in the fundraiser.

Thank you for helping us build heart-healthy habits and strong, caring students!

Our students have raised over 1900.00. A blessing from our Lord and Savior.

American Heart Association.
