Living in the Light of Easter

Dear Parents and Students,

We celebrated the joy and hope of the Easter season and are reminded of the incredible love shown to us through Christ's death on the cross and His glorious resurrection. Easter was not only a time to reflect on what Christ has done for us, but also a time to consider how we should live because of His sacrifice.

Because Christ gave His life for us, we are called to live with gratitude, humility, and love toward others. This means showing patience in difficult moments, choosing kindness even when it is challenging, and demonstrating self-control in our words and actions. At school, this looks like treating classmates with respect, listening carefully to teachers, and doing our best work as an offering of thanks to God.

As we enter these final weeks of the school year, we want to encourage our students to remain vigilant and full of grit. The finish line is in sight, but this is often when focus can begin to slip. Now is the time to stay on task, maintain strong behaviors, and practice patience with one another. Completing assignments faithfully, staying attentive in class, and continuing to make wise choices are all ways we honor God with our efforts.

We are proud of the determination we see in our students each day. Your perseverance, positive attitudes, and willingness to grow both academically and spiritually are a blessing to our school community. Let us continue pressing forward together, remembering that our work matters and that God strengthens us to finish well.

Scripture Focus:

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith."

— **Hebrews 12:1–2**

With gratitude and encouragement,
Principal Goddard
