

FRIDAY BLAZER BULLETIN

The Final Week of School

Dear St. Paul's Families,

The final week of school is upon us and our hearts are filled with gratitude for the many blessings God has poured out upon our school family this year. What an incredible journey it has been! We have watched our students grow academically, socially, and spiritually while our teachers and staff have faithfully invested their time, talents, and love into each child. A last goodbye to our 8th graders, who have shown incredible leadership on our campus. May the Lord continue to guide their paths as they enter high school.

This school year has truly been a blessing. Through moments of learning, challenges, laughter, worship, and friendship, we have seen God's hand guiding us every step of the way. We are thankful for the partnership of our families, the dedication of our faculty and staff, and the joy of watching students flourish in both faith and knowledge.

As we finish strong during this last week, we encourage our students to continue showing kindness, respect, gratitude, and Christ-like behavior. Let us end the school year with thankful hearts and joyful spirits, celebrating all that God has done among us.

The Bible reminds us:

"The Lord has done great things for us, and we are filled with joy." — Psalm 126:3

What a fitting reflection of this school year! We rejoice in the blessings, growth, and memories we have shared. Let us continue to TRUST in the LORD!

As summer begins, we pray that every family enjoys a season of rest, renewal, and precious time together. May your summer be filled with joy, relaxation, safety, and opportunities to continue growing in faith. We look forward with excitement to what God has planned for the coming school year.

Have a joyous, relaxing, and blessed summer! God bless you all.

In Christ,

Principal Goddard

CARLINE

Parents and guardians,

We are still noticing some vehicles are not following car line procedures. The administration is asking for your cooperation with the car line. We have made efforts to improve the car line experience and ask that car line procedures continue to be followed. Here are the following rules:

1. Go to the end of Kingsway (unless you have a preschool or kindergarten pass) to join the car line.
2. Remain in your vehicle and allow the leadership to handle any car line complaints.
3. Early pick-up ends at 2:55 pm. After this time, please join the car line.
4. Please take a right-hand turn when exiting the car line. This helps to alleviate congestion in the car line and creates a better flow and experience for all.
5. Please observe the staff traffic controller for safety reasons. We have placed someone there to protect vehicles and their occupants.

Remember, we want to continue to build a positive Christian culture that encourages love, patience, and kindness.

Thank you for your cooperation in these matters,

Administration
