

September 2026

Dear LA Local friends,

Fall is here, and we're glad to be stepping into a new season with **YOU!** Life in LA can feel like a lot of moving pieces: work, auditions, projects, bills, and figuring out what's next. Wherever you find yourself right now, we hope you'll take a breath and remember that God is with you in the middle of it. There is still good work to do, friendships to find, and plenty to look forward to in the last quarter of 2026, if you can see it!

If we haven't seen you in a while, we'd love to change that! This fall, come catch up, meet someone new, and spend time with people who understand both your faith and your career in this industry. You don't need a big update or exciting news to share. We'd just love to see you, pray for you, and encourage you into what's next!! Email [HERE](#) if you want us to reach out to you!
