

Events, Prayer, and Community for LA Locals in the Entertainment Industry

We have entered the year of the Open Door...

Dear local friends, old and new,

For many of us, 2024 is already a year of surprises, growth, and clarity. For some, you are in a time of transition and constant changes! For others, you are discovering what you are truly meant to do with your talents and passions. And for many others, God is leading you to discover, for the first time, who you really are!

No matter what you are learning, discovering or growing in this season, we want to remind you that we are here for you! HPN exists to pray for you, encourage you, connect with you, and see you all develop an unshakeable faith in God. Keep declaring that this is the year of the open door, and that God has great things in store for you!

In agreement with the faith that we all have for a hallmark year, we are thrilled to invite you to join us for **21 Nights of Prayer** leading up to our **National Day of Prayer Celebration!**
