

Events, Prayer, and Community for LA Locals in the Entertainment Industry

Welcome to Summer, LA Locals!

Dear local friends; old and new!

For many of you, this will be the busiest summer in 2 years! Because of that, we want to give you plenty of time to plan your schedule to be able to join us for any or all of our exciting upcoming summer events.

We also want to take a moment to say that we are praying for the families of the victims of the Uvalde shooting. Like all of you, we are heartbroken and appalled, and can only find comfort in knowing that Jesus now holds all of them forever, and that they will grow up in Glory. In the mean time, we put our hope only in the Lord, not man, to bring the solutions to the evil we see today. We pray that the headlines of today bring more and more Christians to their knees, and that the Kingdom will grow at unprecedented rates as Jesus continues to show the world that He is the only way to true peace!

We want to share our list of Christian Counselors with all of you, so that you have options and trusted recommendations when you are looking for a professional Christian therapist. All of these are people that HPN knows and trusts, and you can ask us if you have any questions!

Are you plugged into a church yet? We want to continue to share our HPN CHURCH LIST for all of you who are continuing to look for a spiritual home and a community to call your own. Check out these links to learn more:

Local Events

June 2nd - 10am-3pm: What Does God Say About Equity? Biblical Equity Symposium

Myesha Reynolds, an HPN Member and founder of Equity Lens Consultants, invites you to a 1-Day Symposium tackling a trigger topic for many- Equity, Diversity, and Inclusion - but from a Biblical Perspective. Myesha tears down agenda-driven narratives, unmasking misinformation with the truth of the Gospel, and sheds light on what the word *equity* was intended to mean, as seen through the heart of Jesus. You'll be equipped to be able to enter conversations around this topic with wisdom, grace, and "peaceable knowledge from above", knowing that ALL people are to be treated right and fair.
