## Prayer, Events and Community for the Creative Christian Community

Hey LA Locals!

Here are some events we think you will enjoy as you enter the summer months. Don't miss out on great ways to connect with the local community!

ENCOURAGEMENT: One of the things on our hearts today is the power of social media. There is much to be said for those who influence our culture, our generation, and our mental and spiritual health- many of whom we don't even know!

For many people, social media has transformed us into tourists of life. But we are meant to be GIVERS of life! We challenge you this summer to pick up your phone less, and give God more room (and more time) to use you and speak to you! You will never regret spending more time with God - especially when he is the author of your faith and creativity!

## We are excited to start gearing up to celebrate 23 Years of Ministry for Hollywood Prayer Network with A Birthday Celebration to remember!

Join us for not only another epic celebration (our last celebration had 500 people!), but we are pulling out all the stops with red carpet, catered food, music, and the main event - a LIVE Game Show experience that will have everyone cracking up! You all know that our HPN community loves to dress up, get together, and celebrate what God is doing in Hollywood! **TICKETS ARE BUY 1 - GET ONE FREE.** Our prayer is that you use this opportunity to invite someone who doesn't yet know about Hollywood Prayer Network, or someone who doesn't yet know the Lord. We believe that this is a year of expansion (for HPN and the Kingdom!), and what better way to do that than to introduce more people to what God is doing in our creative community?
