Prayer, Events and Community for the Hollywood Prayer Network LA family

Hey LA Locals, HAPPY SUMMER!

Don't miss out on great ways to connect with our amazing local community!

As we are in the year's second half, let's prepare for an incredible next six months! This is the perfect time to stay focused on the belief that this is "the year of the open door"! We encourage you to keep your eyes and heart open to the miraculous possibilities that lie ahead when you daily walk with Jesus, and make him the author of your stories. Let's also embrace the creative inspiration to finish (or start) those projects you wanted to complete this year!

We also encourage you to pray for the Olympics - for athletes, attendees, and performers alike! An HPN friend in France sent, "Thank you, Celine Dion, whose magnificent rendition of La Marseillaise was sung from the roof of the Grand Palais overlooking the Seine. Her voice echoed throughout the city, and a new and powerful version of the French National anthem was born." We also want to keep the city of Paris, and the historical issue of human trafficking surrounding major sports events in prayer! Stay up to date with how our friends at **Radiance International are running the House of Prayer at the Olympics!**

Get ready to make new friends and have an amazing time of celebration with us at our highly anticipated 23rd Birthday Celebration! Details Below!
