Prayer, Events and Community for the Hollywood Prayer Network LA family

Dear HPN LA Local Family,

We are so excited to see the Hollywood Prayer Network community in Los Angeles continue to grow! Every month we meet more creatives, dreamers, and professionals who are discovering the power of friendship, prayer, and encouragement in an industry that can often feel isolating. At HPN, our heart is to make sure no artist walks this journey alone - **we exist to strengthen you with community, prayer, and events where real relationships can be built and hope can be restored.**

As we celebrate all that God is doing in our city, we don't want anyone to miss out. If you know a Christian working in entertainment, **please forward this email or invite them to join us at one of our upcoming gatherings.** These moments are too good to keep to ourselves- let's keep growing this family together! We want to watch our loving creative community not only grow, but flourish, thrive and lovingly touch the lives of everyone around us! So, GET INVOLVED...
