

**"With" by Skye Jethani**  
**Chapter Six: Life With God**

1. On page 102, the author states, "But life With God is different because its goal is not to use God, its goal is God." Can you explain what he means?
2. After reading these 6 chapters, how would you describe your "vision" of who God is? Do you think it may be flawed or incomplete? Explain your answer. How can a flawed or skewed view of who He is affect how you relate to Him?
3. We are called to treasure God above all else. The author wrote, "*If we treasure the world and a long, comfortable life in it, then we are not living with God.*" (James 4:4) What does it mean to "treasure" something or someone? What do you treasure? What means the most to you at this point in your life? Can you honestly say that God Himself is your biggest treasure?
4. Do you feel like you know what it practically means to live under the posture of being "with" God?
5. What are your general thoughts or opinions about this chapter?
