| <b>5</b> Pray for planning in Ukraine to be complete; for all the translators that we need, for Gary Peiss as he makes final preparations for the team. Pray for the arrival of the medication shipment                   | <b>6</b> Pray for team preparations to be finalized with nothing forgotten. For team unity & empowerment in the Holy Spirit; for the Ukrainian team to feel God's love and power as they prepare | <b>7</b> Pray to push back the darkness in Ukraine, for peace to reign where we will be working, to nullify the impact of the enemy's tactics, strategies & plans                                                    | <b>8</b> Team flexibility - for quick changes in schedule & activities while in Ukraine for long travel times; for continued good health for the teams & their families.                                                            | <b>9</b> Pray for peace in the area; for the cessation of bombardments; against fear and lack of ease; for trust in the Lord's plans and protection                                             | <b>10</b> Pray for final preparations that we will all be ready to minister in unity and the power of the Holy Spirit. For adequate number of translators and all supplies to arrive on time; for last minute items | <b>11</b> Pray for team to arrive at Seatac on time, for hearts to be ready for the long trip; for fresh anointing and fire! For takeoff time to be prompt @ 2:10 PM due to short connections in Germany. |
| <b>12</b> On time arrival in Frankfurt; for the short connection of 1 hour to get to the Krakow flight; safe arrival of team and bags in Krakow; easy trip across Ukraine border to Lviv (4-6 hours). Good sleep tonight. | <b>13</b> Safe travel to <b>Bila Tserkva</b> – a 350 mile, 8 hour drive by bus. Team rest while riding. Minds and hearts to be prepared for clinics tomorrow.                                    | <b>14</b> For a great meeting of team US and team Ukraine; for first day of clinic in <b>Bila Tserkva</b> – open hearts and minds for healing and salvations; that all medications and supplies have arrived on time | <b>15</b> People to hear of the love of Jesus, of miracles and healings; that people come to seek a touch from Jesus rather than just to see the doctors. Safe travels to <b>Kyiv</b> in the evening after clinics – 1.5 hour drive | <b>16</b> Continued team unity in US and Ukraine team; that needy people will come to the clinic; for salvations, healings and deliverances. For peace in the city during clinic in <b>Kyiv</b> | <b>17</b> Second day of clinic in <b>Kyiv</b> ; for many to be treated, loved, healed and saved; for health and safety of team; that we are a blessing for the church.                                              | <b>18</b> Pray for a day of rest and fun for the team on a day of culture. Pray against discouragement and not doing enough; pray against fatigue & sickness; for the 5 hour drive to <b>Kremenchuk</b> . |

|                                                                                                                                                                                                   |                                                                                                                                                                                                                            |                                                                                                                                                                                     |                                                                                                                                                                                                         |                                                                                                                                                                                                       |                                                                                                                                                                                                   |                                                                                                                                                                                                                                  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>19</b> For a great day of worship with brothers and sisters in <b>Onufriivka Foursquare Church</b> ; a day of fellowship and rest from the travels and ministry of past week.                  | <b>20</b> For first day of clinic in <b>Onufriivka</b> ; for no hesitancy to come for care, for open hearts to be touched by Jesus' love; for salvations, healings and miracles. Continued safety and health for the teams | <b>21</b> For fresh anointing, renewed vigor, perfect love and compassion as we see those who are like sheep without a shepherd, harassed and helpless. For God's power to prevail. | <b>22</b> People to come for care but also to hear about Jesus; for team unity, safety, health; against discouragement; for peace and protection. For the Ukrainian Christians to be encouraged         | <b>23</b> Last day of clinic in <b>Onufriivka</b> ; for team to push through emotional and physical fatigue; for fresh anointing today; that the least, the last and the lost will be seen and loved. | <b>24</b> That lives will be changed forever, because of this mission, in the new believers, in the Ukrainian team members, in the US team members. For the 12 hour ride to Lviv; for great sleep | <b>26</b> For the drive from Lviv, Ukraine, across the border to Krakow, Poland – a 4 hour trip (pray for quick crossing over the border – 2 to 4 additional hours); for an evening of reflection and rest prior to flight home. |
| <b>26</b> For the early morning arrival at airport; flight to Frankfurt and then the 10 hour flight home arriving at SeaTac at 11:55 am; for safe travels home for those from out of Tacoma area. | <b>27</b> Pray for our missionary, Gary Peiss and the Ukrainian team members as they recover from their travel and work of ministry; for their health and wholeness.                                                       | <b>28</b> Pray for reentry of the team to life at home; protection of health and emotions with smooth transition to regular life; to trust that the Lord has all in hand.           | <b>29</b> Pray for the Foursquare Church of Ukraine as they follow up and disciple new believers; for those who heard the good news but did not respond that all will come to Jesus; for peace and joy. | <b>30</b> Pray that lives will be changed forever because of this mission – in new believers, in the Ukrainian team and in the US team.                                                               | <b>31</b> Pray for Ukraine that peace will come soon; that the country will be united, prosperous, on fire for God, a source of inspiration for those who would battle giants.                    | <b>Aug 1</b> Continue to pray for the new believers to be discipled; for protection against persecution; from turning back to their old ways; for anointing and power in the Church of Ukraine!                                  |
