You're the image of the living God, when You speak mountains shake, demons tremble.
You are sovereign over every throne. King of Kings Nations bow, hearts are humbled.

CHORUS

You are higher than the stars in Heaven;
Firstborn of creation; Matchless Son of God
Jesus, there's no rival glory; we adore You only ever - more!
You are over all.

You're the only one who conquered sin rescued us from our chains, from our failure.
You're the only one who vanquished death. We will trust in the One, risen Savior.

Jesus, there's no rival glory; we adore You only ever - more!
You are over all.

Heaven's greatest treasure, glorious in splendor, we cast our crowns. All must fall down.
