

# ALL THINGS FOR GOOD

Intro: Bb / Dm / | C /// x2

## Verse 1

Bb            Dm        C                            Bb            Dm    C  
Father hear our cry for redemption    welling up inside our souls  
Bb            Dm        C                            Bb            Dm    C  
Are you still the God of salvation?    Are You in control?

## Pre Chorus 1

                         Gm                            Dm  
Give us faith to trust that You are Good  
                         Bb                            C  
And that You are faithful to Your Word

## Chorus

                 Bb    F                            C                            Bb            F                            C  
Though the o - ceans may rage and the moun - tains may fall  
                 Bb                            F                            C                            Dm  
Though the earth gives way, underneath it all  
                 Bb        C                            Bb (Intro)  
You plan all things for good  
   F (to bridge)

## Verse 2

Bb                            Dm        C                            Bb                            Dm        C  
When we feel the sting of affliction,    when our closest friends betray  
Bb                            Dm        C                            Bb                            Dm        C  
Will your mercy heal ev'ry heartache?    Will you give more grace?

## Pre Chorus 2

                         Gm                            Dm  
Jesus You alone can give us hope  
                         Bb                            C  
You will not forsake or leave Your own

Bridge

Bb Dm  
Ev'ry sorrow that we face reminds us that

F C  
This is not our home, this is not our home

Gm Bb  
When we ponder all our days we'll marvel at

F/C C  
The goodness You have shown, the goodness You have shown
