

# SALVATION'S GOLDEN CHAIN

Intro: D ///// | Dsus ///// | D ///// | Dsus ///// |

## Verse 1

D        G    A        D    D        G        A  
Chosen by a loving God, by no merit or will  
D                G                A        Bm        G                A        D  
Though my days were dark with sin and grace was foreign still  
G        A                D                        G        A                D  
God so great sent Christ His Son, to save my hell-bound soul  
G    A        Bm        Em                G                A        D  
Hallelujah, praise to Christ, I'm chosen by grace alone!

## Verse 2

D                G                A        D        D        G        A  
When my soul was dead within, His Spirit spoke so sweet  
D        G                A                Bm        G        A                D  
"Jesus shed His blood for you; His earthly work complete"  
G                A        D                        G        A                D  
"Rise from sin and death's dark hole--rise and run to Christ!"  
G A                Bm        Em        G                A                D  
I obeyed that heavenly call, and rose in marvelous light

## Verse 3

D        G        A        D                D        G        A  
What a day, O what a sound, to hear the verdict made  
D    G                A                Bm                G                A                D  
"Justified! Condemned no more"--my boundless debt was paid  
G        A        D                        G                A                D  
Christ imputed perfect life and wrapped me in His grace  
G                A                Bm        Em        G                A                D  
Righteousness that's not my own will cover me all my days

Verse 4

D        G        A        D        D        G        A  
When the course of life has run and eyes have finally closed  
D        G        A        Bm        G        A        D  
With my God in realms above, I'll worship Him enthroned  
G        A        D               G        A        D  
All my sin, my pain, my grief, I'll never know again  
G        A        Bm        Em        G        A        D (to tag)  
Wholly, truly, glori - fied, eternity's just began

Tag

G        A        D               G        A        D  
Tethered by Your golden chain, eternally secure  
G        A        Bm        Em        G        A        D (intro)  
Praise to You my Sovereign God, forever and ever more.
