

# CHRIST MY ALL

Key: G

Intro: G /// | C/G /// | G /// | C/G /// |

## VERSE 1

G                      Gsus G                      Gsus  
When sorrows come, when grief remains  
Em                      C                      G Gsus  
My Savior knows my weakness  
G                      C                      G                      C  
When joy abounds, and blessings flow  
Em                      C                      G D  
Nothing compares to His glory

## CHORUS 1

G                      Gsus                      G                      D  
Come what may, let it be, none but Christ, Christ for me  
Em                      C                      G (intro)  
Christ my hope, Christ my life, Christ my all

## VERSE 2

G                      Gsus G                      Gsus  
When I'm ashamed, I stand accused  
Em                      C                      G Gsus  
My Savior bled for my pardon  
G                      C G                      C  
My sin is gone, nailed to the cross  
Em                      C                      G D (to chorus 1)  
Now I will sing of His mercy

## VERSE 3

G                      Gsus G                      Gsus  
Until the day, when Christ returns  
Em                      C                      G Gsus  
My soul will rest in His promise  
G                      Am G/B C  
The trump will sound, He will descend  
Em                      C                      G D (to chorus 2)  
I'll stand amazed in His presence

## CHORUS 2

          G          Gsus          G                  D  
Come what may, let it be, none but Christ, Christ for me  
          Em                  C                  G  D  
Christ my hope, Christ my life, Christ my all  
          G          Am          G/B          D/F#  
In all things, I've received all I have, all I need  
          C/E                  D/F#                  G (to the tag)  
Christ my hope, Christ my life, Christ my all
