## Study Questions

Read Revelation 1:1-8 aloud.

What did this message tell you about God?

What did this message tell you about people?

Have you ever been lied to? Did you act on that lie, believing it to be true? Did it have devastating consequences? After you found out it was a lie, how did you feel? We started out by saying that God revealed his truth to a man named John. That's what Revelation is all about. Take pause and thank him that he did that. Thank him that he revealed his plan, and that we can act on that plan, trusting it because it's true.

Biblical blessing means we can experience a deep state of spiritual healthiness, joy and divine favor that is independent of external circumstances. By this definition, would you describe yourself as an individual as being blessed, or do the present circumstances of life leave you spiritually unhealthy? Same question for your group. Is the group blessed, or does it need an injection to make it healthy?

Jesus is Almighty. What does that mean for you? How does that truth overwhelm you? How does that truth provide comfort over ever difficult situation your group is facing?
