VETERANS DAY
Here are ways to pray for those who previously served in the military:

- Pray for veterans who may be dealing with service-related trauma and that they would seek to honor the Lord while working through what they have experienced in a biblical manner.
- Pray for guidance and faith when transitioning from military service life to civilian life. Pray that the Lord would strengthen marriage and family relationships in the midst of these transitions.

Here are ways to pray for those who are currently serving in the military:

- Pray that military leadership would seek God's wisdom in decision making and faithfully defend our nation.
- Pray that service members at all levels act with integrity and wisdom.
- Pray that believers in the armed forces will fight well for their country and remember that eternal hope and citizenship is found in Christ alone.

JOIN REALM: The church staff has provided a resource called Realm to grow the church by improving our communication within the body. The Realm website and app will include all event information and registrations, small group chats, and the church directory. Scan to sign up!
