

BCLR Men's Gifts and Skills Registry

There are literally centuries of education and experience in our body. Retired men who have volunteered to share their expertise with you are listed below. There is no cost involved, nor do any of them stand to benefit financially. This is an excellent opportunity to gain new skills while building intergenerational relationships with godly men in our body —something increasingly rare in our culture but strongly encouraged in Scripture. We recognize that the Internet is a valuable resource, but it doesn't involve the blessing of fellowship. Don't hesitate to contact these men if you need help or advice or want to know more about a subject. Many prefer a text before a call. If you don't know the man or need more assurance of their qualifications to help, ask them. **This help may or may not include their physical involvement, which is their choice.**

Men: Qualification to be on this list is that you are willing to serve the members with your chosen skill and that it doesn't provide an income stream for your family. To have your name added to or removed from the list, please contact Bob Kestner at bob.kestner@gmail.com (501-410-8763).
