Requests for use of church facilities for funeral/memorial services will be determined on a case-by-case basis based on the schedule above.

Generally, Facility Use Fees will **not** be waived. Any waiver request must be made in writing to the CBC Management Team with an explanation of the need for the waiver.

CBC recognizes the importance of supporting like-minded religious, youth, and community organizations as part of its ministry and may make its facilities available for such use on a regular basis. Such use includes Bible Study Fellowship (BSF). Additionally, subject to Management Team approval, facilities may be available to governmental entities and programs supportive of children and families. Fees for use by these organizations will be negotiated with the organization by the Management Team to ensure that the cost of having the facility open is covered by the fee.
