

Easter 2026

05 Apr 2026

BREAKING THE ICE

- What impacted you most about this week's message?

UNDERSTANDING THE TRUTH

Read the Passage (Galatians 2:20; 5:1)

This week, let's pause to share a bit more about Easter and the way the resurrection of Jesus Christ has impacted our lives. Just take time to share answers to these handful of questions and celebrate the impact of Jesus' resurrection in your lives.

Read Galatians 2:20 together out loud.

1. Go around the room and have everyone share how they have experienced the truth of this verse. How have you been "crucified" with Christ such that who you once were is now dead?
2. Now share as a group how you have seen Christ live in you since becoming a Christian. What is one of the most significant ways you have seen the life of Christ lived out in your new life with Him?

Read Galatians 5:1 out loud together

Christ has set us free from our slavery to sin as well as a slavery to earning God's favor through religious works or practices.

3. Share with the group an area of freedom in Christ you would like to "stand firm" in OR an area of freedom you would like to further embrace and walk in.

PRAYING FOR GOD'S POWER

Close your time together as a group in prayer by praising God for the unsurpassable gift of Jesus' life, death and resurrection. Then, praise Him also for the grace, love and truth He has poured out into your lives to bring you into an eternal relationship with Him.
