

Good Morning!

This weather is throwing me off - 90 one day and 30 the next. I'm not complaining, but its tough to plan out my outfits 😬

### **This week's prayer request:**

- Cedar Ridge: We are praying for a teacher/coach to help us start an FCA huddle at this large 6A High School in Round Rock.
- Board Candidates: We are praying for 2-4 potential board candidates to help us grow the ministry in Cedar Park.

### **Last week's prayer request:**

- Interns: We desire to hire 4 more interns at the beginning of the next school year. Would you pray that God would send the next 4 interns to be placed at *McNeil HS, Round Rock HS, Eastview HS, and Rouse HS* so we can continue to reach every student across Williamson County? **We had 4 college students apply this week!**

Have a great week!
