Psalm 34: 4,7

I sought the Lord, and He heard me, and delivered me from all my fears. They looked to Him and were radiant, and their faces were not ashamed.

This poor man cried out, and the Lord heard him, and saved him out of all his troubles.

The angel of the Lord encamps around those who fear Him, and delivers them.

Praise Report!

One thing I've learned at the Mission is that everybody's walk with the Lord is different and God has a unique timeline for every resident that commits their lives to Him. Which makes sense as we each have different assignments in His kingdom and different hurts that need to be healed.

Brittany was only with us for 72 days, but in those 72 days Jesus accomplished a lot in her life.

The biggest success came from Brittany returning to a life of serving Jesus. She threw herself into our Discipleship program and did everything that was asked of her. Then Jesus gave her a job on a farm and then just as quickly gave her a home for her and her children. In 72 days! Praise the Lord!

The praise report continues with Karen. Karen came to us after her long-time spouse passed away and she lost her housing. She was with us 62 days while she sorted out her affairs for a move to the east coast where she is now living with her daughter. Karen says she has peace now and thought enough of the Mission to write us a thank you letter. Karen says she really enjoyed Chapel and the bible studies and says she will continue to pray for us at the Mission. Thank you Karen we will be praying for you too.

There are many different facets to discipleship. One of those took the form of game night here at the Mission. I would like to thank the amazing Angie Anderson and family for helping to put on the game night that happened at the Mission. I would also like to thank the Board members who showed up and participated. There was fellowship, snacks, and a ton of board games, some of whose names I can't even pronounce. Thank you everyone.!
