Holy Communion

Redeemer Lutheran Church believes The Lord's Supper is not necessarily courtesy but a ministry. In love, we want everyone who takes Communion to receive its full benefit. St. Paul writes in 1 Corinthians 11:27-29, "Anyone who eats and drinks without recognizing the Body (and Blood) eats and drinks judgment on himself." So, by love and heartfelt conviction, on the basis of God's Word, we must follow Christ's command. It would not be loving to allow spiritual harm to come to someone who does not know, believe, or understand the teachings of the Bible in regard to the "real presence of Christ's Body and Blood. So we lovingly and respectfully ask guests and visitors, who do not hold membership in a congregation of the LCMS, to talk to the pastor before or after the worship hour about their desire to take Communion. If you cannot locate the pastor, one of the elders will be able to assist you.
In the tray of individual cups, the pink wine is a non-alcoholic wine, and gluten free wafers are available upon request.

YOUR VOTE | WHY IT MATTERS TO HONOR GOD

I GOVERNMENT WAS INSTITUTED BY GOD

Romans 13 and 1 Peter 2 show us that government was instituted by God, created with a purpose and responsibility: to punish evil and reward good. Government is God's societal institution of justice, a value so important to God, His Son died on the cross to satisfy its requirements.

II GOVERNMENT OFFICIALS ARE MINISTERS OF GOD

Romans 13:4 calls government officials "ministers of God," meaning they are, in effect, servants of the Lord. Just as pastors are ministers of the church, elected officials are ministers of God in government, and they have a job to do for Him. This should change the way we view our elected officials. First Timothy 2, Romans 13, and 1 Peter 2 all tell us to pray for, submit to, and honor those in authority.

III GOVERNMENT CANNOT PROPERLY DO ITS JOB WITHOUT THE CHURCH

How do governments of the world determine good and evil? Left on their own, governments often get it wrong. Government needs the church to provide a standard and to give sound counsel on what the Lord has called good and evil (1 Timothy 3:15b).

IV LAWS MATTER

The law has never been able to save (Galatians 2:16, 3:11, 4-5), but it teaches morals, shapes cultures, and reveals God's righteousness. Good leaders will pass laws that reflect God's standards, guiding society toward what is right – laws that protect people by punishing evil and making it easier to pursue righteousness.

V YOU GET TO CHOOSE

As Americans, we get to choose our ministers of government. As Christians, we know what God expects of government. God also has expectations for us: to be good stewards of this opportunity and select the most qualified and Christ-like individuals to serve as ministers in government. Our right to vote is a gift that God has given us to use to honor Him (Matthew 25:14-30).
