April 16, 2023

1. FPC Conroe will host a Prayers of the People (POP) Training Day for the Presbytery Churches located in the North Houston region on Thursday, May 18, 2023, from 8:30 a.m.-4:00 p.m. POP will provide the training materials on the day of training and will serve a light breakfast and a “working” lunch of salads and sandwiches. Phase I is the day of classroom style training held in the church; Phase II is the practical training which takes place within the hospital setting. A description of the Training can be accessed on the following link - <https://popministry.org/home/programs/training/>. Church Staff; individuals in pastoral care, homebound, and Stephen Ministry; and Elders and Deacons responsible for hospital visits are encouraged and welcomed to come.
2. Membership is working on a new church directory with a tentative schedule for taking pictures on August 29, 30 and 31, 2023.
3. The Board of Pensions has changed Dr. Green’s disability status from short-term disability to long-term disability. It will continue to pay 60% of Dr. Green’s salary. Assuming Dr. Green is out through June 30, 2023, the Session approved the recommendation of the Administration Committee for FPC Conroe to continue paying 40% of Dr. Green’s salary until he returns to work or June 30, 2023, whichever occurs first.
4. Dr. Green expressed his gratitude for the warm and welcoming treatment extended by members of FPC Conroe to our guest speakers and for our care of him.
