The Eastside Team at the
Duangtawan Hotel in Chiang Mai

We had the privilege of hosting another Eastside Missions Team this summer. This year — in addition to conducting another hugely successful Kids' Camp, and helping to carry out another clean water project and mango tree project, the team helped us break new ground by convening our first Women's Bible Conference for Women in Ministry.

“A wife of noble character who can find? She is worth far more than rubies.”

Proverbs 31:10

“Charm is deceptive, and beauty is fleeting; but a woman who fears the LORD is to be praised.”

Proverbs 31:30

Nearly eighty pastors' wives from churches representing the Lisu, Lahu and Akha people groups attended the three day conference. We have had very positive feedback from everyone who attended. Everyone says they are looking forward to having another Women's Conference next year as well!

This year's Kids' Camp at the Chiang Dao Center brought together kids from four of our outlying Ministry Hubs located across northern Thailand. We are very grateful to the Eastside Team for the many Bible lessons and fun activities they shared with the kids. Seven young students were baptized at this year's Camp.

The Missions Team also helped with putting in a water distribution grid using PVC pipes in the Lisu village of Nong Pha Jaam. This is one of the villages (a cluster of three villages), that has benefited from a 30 kilometer long water project that brought clean mountain spring water to these communities.

Before the week's end, our team planted a thousand mango trees on hillside farms belong to families living in Kuedsamsip village. We also had a fun filled day conducting a mini Kids' Carnival, and played multiple volleyball matches with the villagers! The village women's team continues to reign undefeated!
