Managers Note

What an exciting month it has been around Camp. We have launched a **new website** and **registration system**. Summer **Camp registration is OPEN** and we have already seen many register. We have two new hires to the staff. We are excited to welcome **April Cirillo** and **Ashlin Simpson** to the Camp Calvary team. They will be serving as administrative assistants, and will be here to assist in registration and check-in, promoting Camp through social media, website and newsletter, and coming alongside our deans and events leaders to serve the attendees. They both come very skilled and experienced, and we can't wait to see how God will use them here at Camp.

We finished this month with hosting a college age group that used our facilities for a weekend retreat that resulted in 3 baptisms!!!

March is full!! We are hosting another retreat group as well as **RE:Fresh Marriage Conference** on **March 21st**. Be sure to register!!! The last weekend, March 27th-29th is **Adventure Camp 1**. Registration is open for that as well. We are always looking for **additional volunteers** for that weekend. If you are interested you can sign up at kycampcalvary.com on the Adventure Camp page.

In addition to marking your calendars for: **Challenge Race** on April 18th, **Hike Day** May 2nd, and **Connect Day** on May 16th, we want to share with you something new. On Saturday, May 9th, we are going to have a **Day of Prayer**. We are inviting anyone that would like to come out to join us for a morning of intentional, focused prayer for summer camp before the season kicks off. Details are still coming, but it will be a couple of hours on that Saturday morning. We would love to have as many as we can.

The dorm continues to progress. We are under **\$95,000** left to fund the project. Please continue to pray that the dorm will be complete and funded for summer camp on May 31.

As summer is on the horizon, we ask that you would spend time this month praying for our deans. Planning a week of camp takes a lot of effort and time, and we are so appreciative of the intentionality of our deans. They have already been setting themes, writing lessons, and lining up faculty for weeks. Pray that God would continue to lead them and direct their decisions. That God would use their leadership to equip the faculty with the tools to show and teach Jesus to every kid that attends this summer.
