Family, it's hard to believe we are already in 2023. We count ourselves blessed to have you as partners in this journey of faith unto which the Father God has called all of us. He has certainly done so much in us and through us over the last 17 years. And yet, at the same time, it seems as if we are only just getting started!

As we **MAKE ROOM** this year for God to do whatever He wants in our lives, let's remember how critical **MAKING ROOM** is in having a significant impact in our generation. Our Heavenly Father knows all things that concerns us and He knows what lies ahead. What is most important for us is to remain faithful to His callings and purpose in our lives so that His plans are fulfilled.

You are appointed and anointed in this age "for such a time as this". Don't draw back. Commit to **MAKE ROOM** daily for God in 2023 and He will lead you down the paths He has laid out for you.

"Those who abandon the worship of God will perish. The false and unfaithful will be silenced, never heard from again. But I'll keep coming closer and closer to you, Lord Yahweh, for your name is good to me. I'll keep telling the world of your awesome works, my faithful and glorious God!"

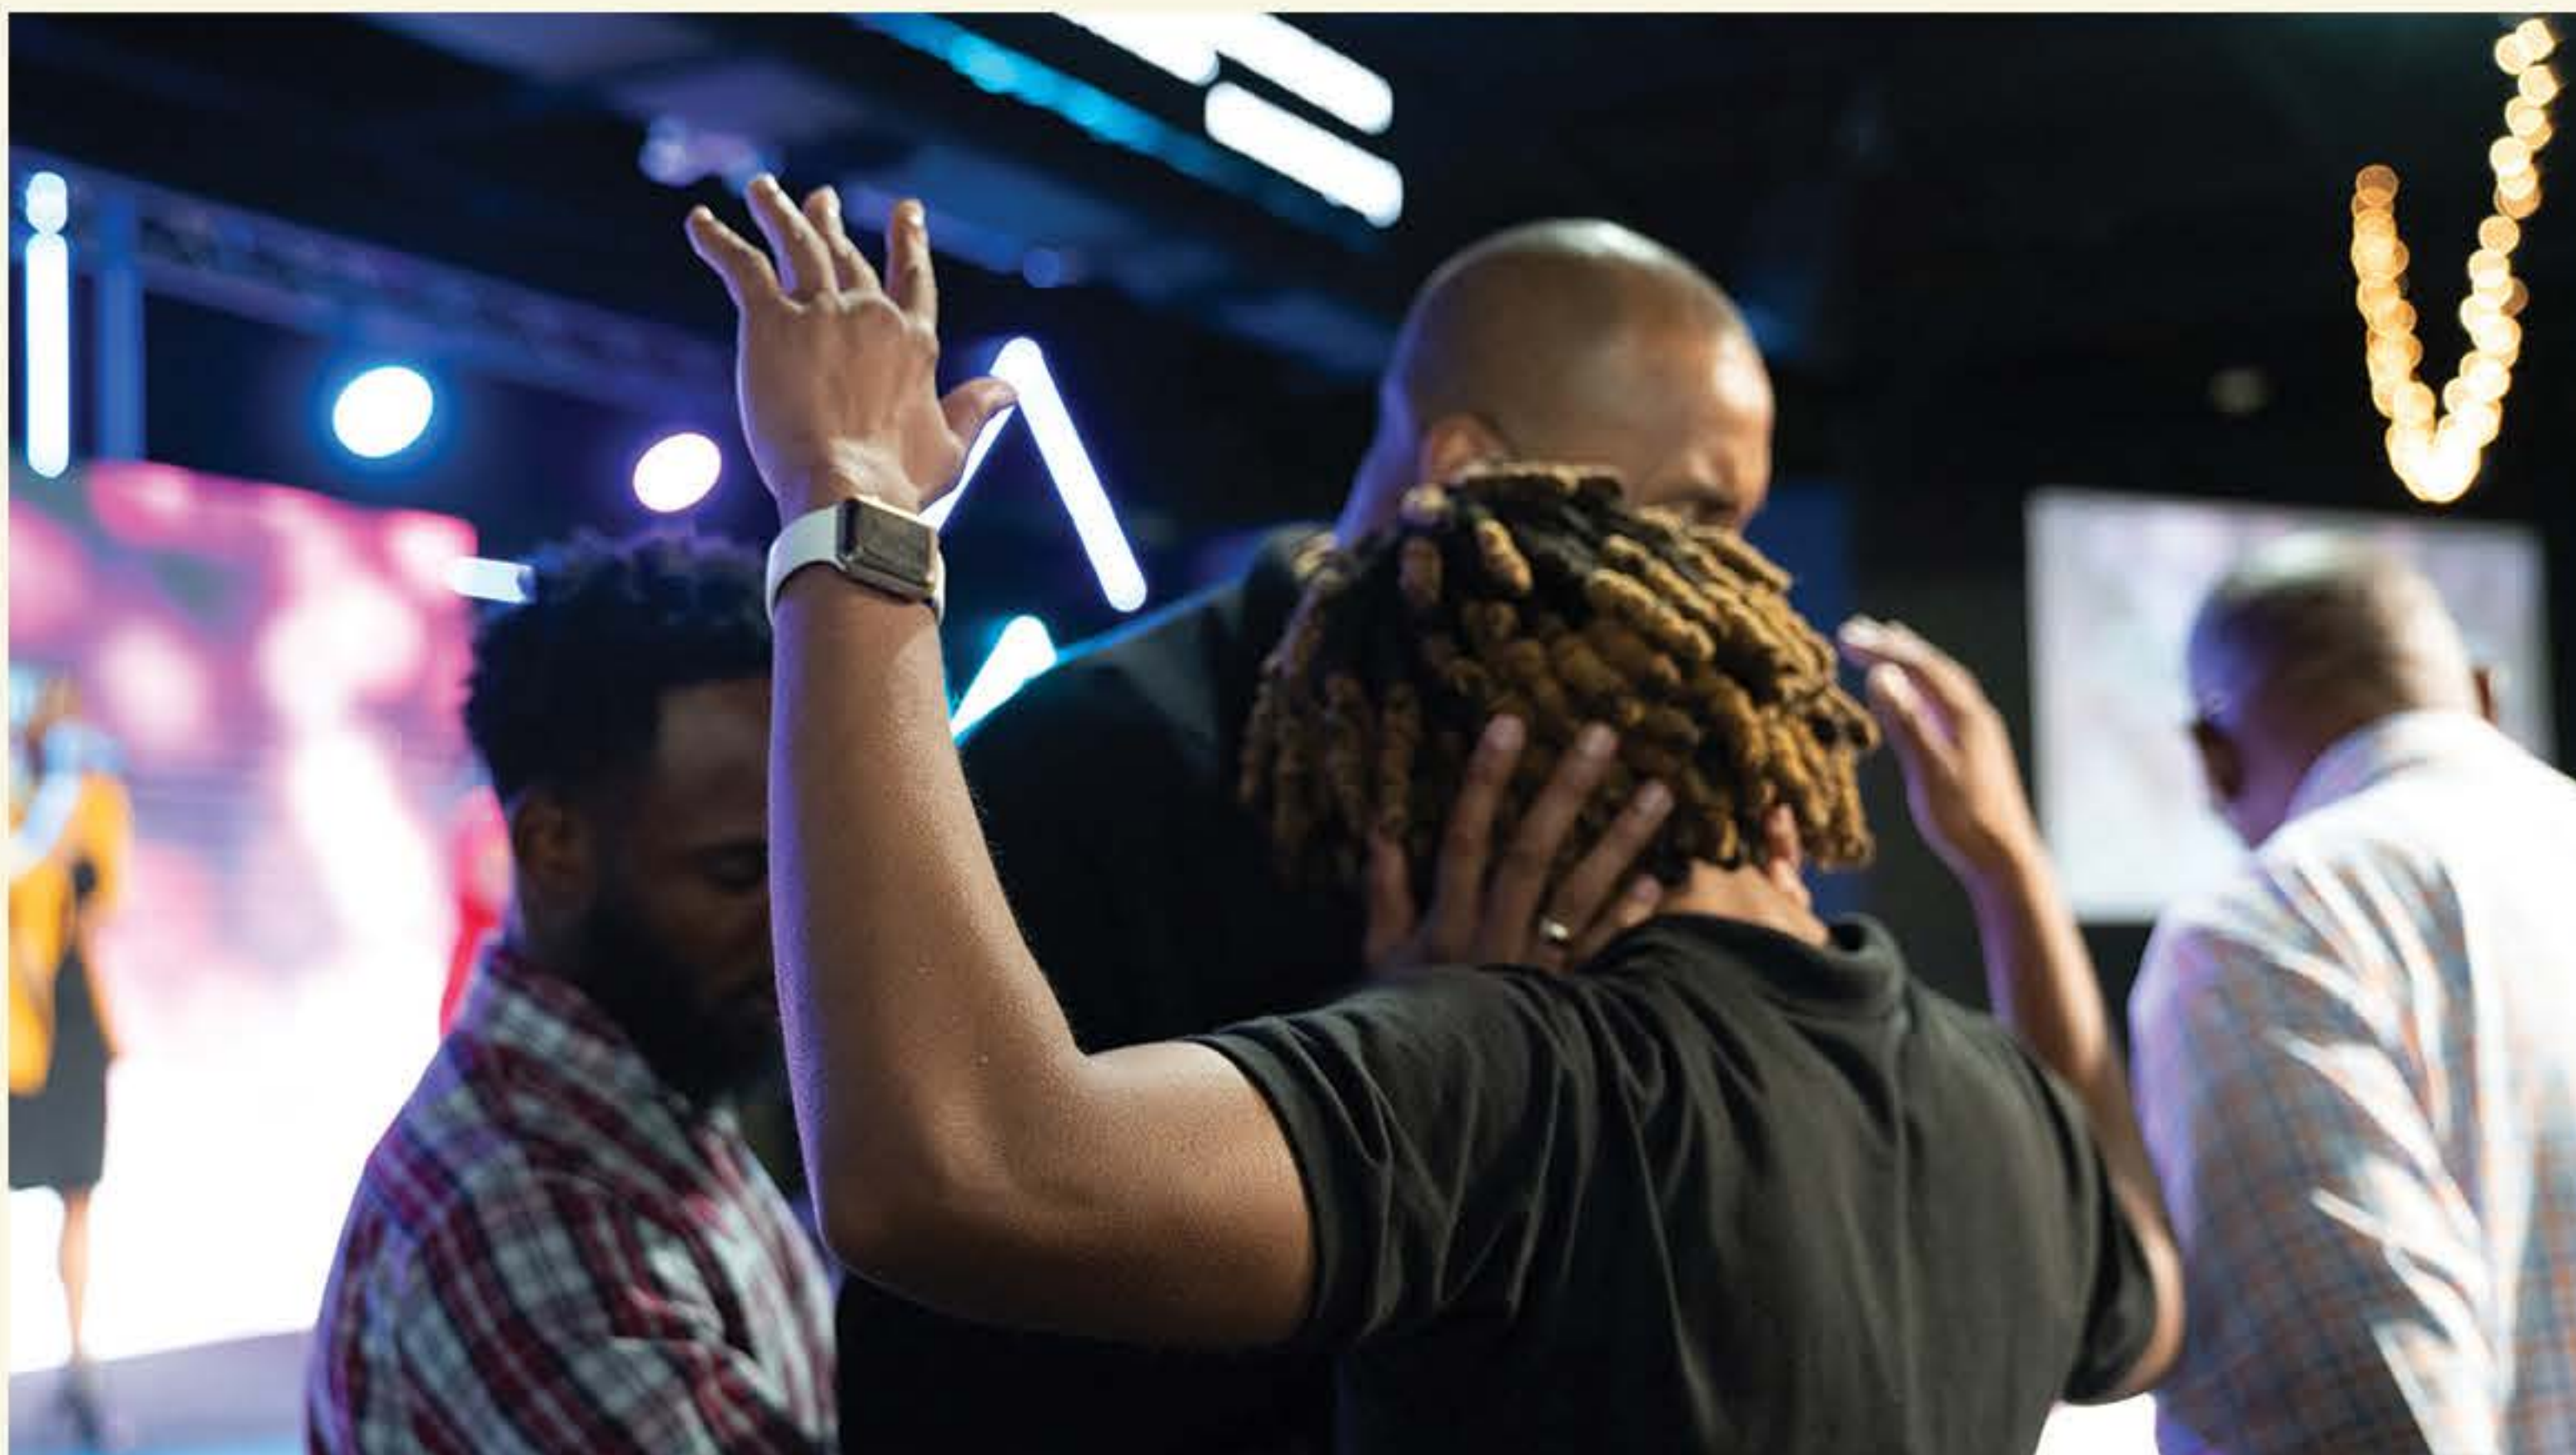

**Psalms 73:27-28 TPT**
