Magnolia Tree Pruning

At the recommendation of the trusted arborists who have cared for the beautiful magnolia tree on Covenant's campus for many years, the tree will be pruned in the coming month to ensure that it remains healthy. The branches that are currently in contact with the Fellowship Hall building will be pruned to ensure several feet of clearance between the tree and the building, and the branch hanging low over the walkway will be cut back to prevent safety issues. We trust that the magnolia will continue to flourish, offering shade and beauty to our campus and congregation for generations to come.

These Are a Few of My Favorite Things:

A Women's Dinner Gathering

Thursday, May 7th, 6:30 PM, Fellowship Main Hall

Join us for an evening of connection, storytelling, and shared joy as we gather around the table to celebrate the simple things we love most.

Each guest is invited to bring one of your favorite things—something meaningful, fun, or inspiring—to give away.

Perhaps a beloved recipe, a meaningful book, a favorite candle, or a piece of scripture that has touched your heart. During our time together, we'll share stories behind these items and exchange them as a way of connecting with a new friend.

Come ready for laughter, good food, and heartfelt conversation. \$20 per person. Write "Women's Dinner" on your WRC to RSVP.

You're Invited to Join the Wedding Committee

Covenant's Wedding Committee is recruiting new members! The Wedding Committee coordinates all aspects of weddings at Covenant

- from giving tours to couples to managing wedding day logistics.

Write "Wedding Committee" on your WRC for more information.

Intern Support Team

This summer, Covenant is honored to continue our Stapleton-Davidson and People in Mission internships. These interns will work at Roof Above sites, serving our neighbors who either have or continue to experience homelessness. Throughout the summer, we would like to show the interns our support in the following ways: (1) providing lunches for Lunch and Learns, (2) serving as a "worship buddy" and taking interns to visit other congregations on a Sunday, and (3) chaperoning them for a social gathering (pool party, Whitewater Center, etc.). Write "Intern Support" on your WRC to sign up.
