Summer Song Series for Contemporary Worship

Help shape the music we sing during the 9:30 a.m. contemporary service this summer! Our Summer Song Series is an opportunity for you to take part in choosing songs that will be featured in worship.

What songs do you love to sing or hear? It could be a meaningful worship song, a favorite hymn, even a secular song that speaks to you. Write your suggestion for the 9:30 a.m. service on your worship response card and get ready to hear what songs show up this summer!
